## Taste & Nutrition

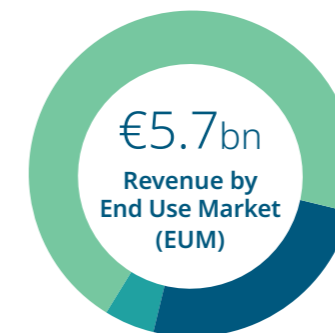

Kerry is the global leader in the development of taste and nutrition solutions for the food, beverage and pharmaceutical markets. Our broad technology foundation, customer-centric business model, and industry-leading integrated solutions capability mean Kerry is the co-creation partner of choice.

We aim to be our customers' most valued partner by delivering food and beverage products that meet their consumers' individual taste, nutrition and wellness preferences, while enhancing their lives and contributing to a more sustainable world. Customers including global, regional and local manufacturers, retailers and foodservice providers all continue to re-evaluate the recipes, processes and the ingredients they use in the development of their products. We use our broad range of taste, nutrition and functional ingredient technologies, combined with industry-leading solutions capability to create innovative new products with our customers across all food and beverage end use markets.

We inspire food and nourish life through the passion, commitment and work of our global team of expert food scientists, chefs, baristas, brewers, mixologists, bakers and nutritionists. We know that success requires the ability to stay ahead of ever-changing consumer demand.
