## Disputes

Suppliers should contact [awaiting.credit@kerry.ie](mailto:awaiting.credit@kerry.ie) if disputing a credit request.

## Special Notes

Simple digital invoices (PDF) are accepted in all EU members but they should be conserved through traditional paper documental preservation. Some countries require that PDF invoices should be protected from any potentially detrimental changes by the use of business controls.

We should strongly recommend to our vendors who are sending PDF invoices to send us 'protected pdf documents'.

Suppliers are expected to understand and follow any requirements which apply to the content and format of the invoices which they issue.
